Creating **better places** to live, work and travel

Putting People First | Delivering Great Service | Creating Better Solutions

Our values

Looking out for each other in our relentless pursuit of zero harm

Involving and empowering everyone to deliver and grow

Being both accountable and supportive

Showing our passion for great customer service

Delivering brilliantly on what we promise

Listening and responding quickly to solve problems together

Collaborating, sharing our knowledge and learning from best practice

Doing things better every day

Innovating and finding new ways to improve and make things simpler

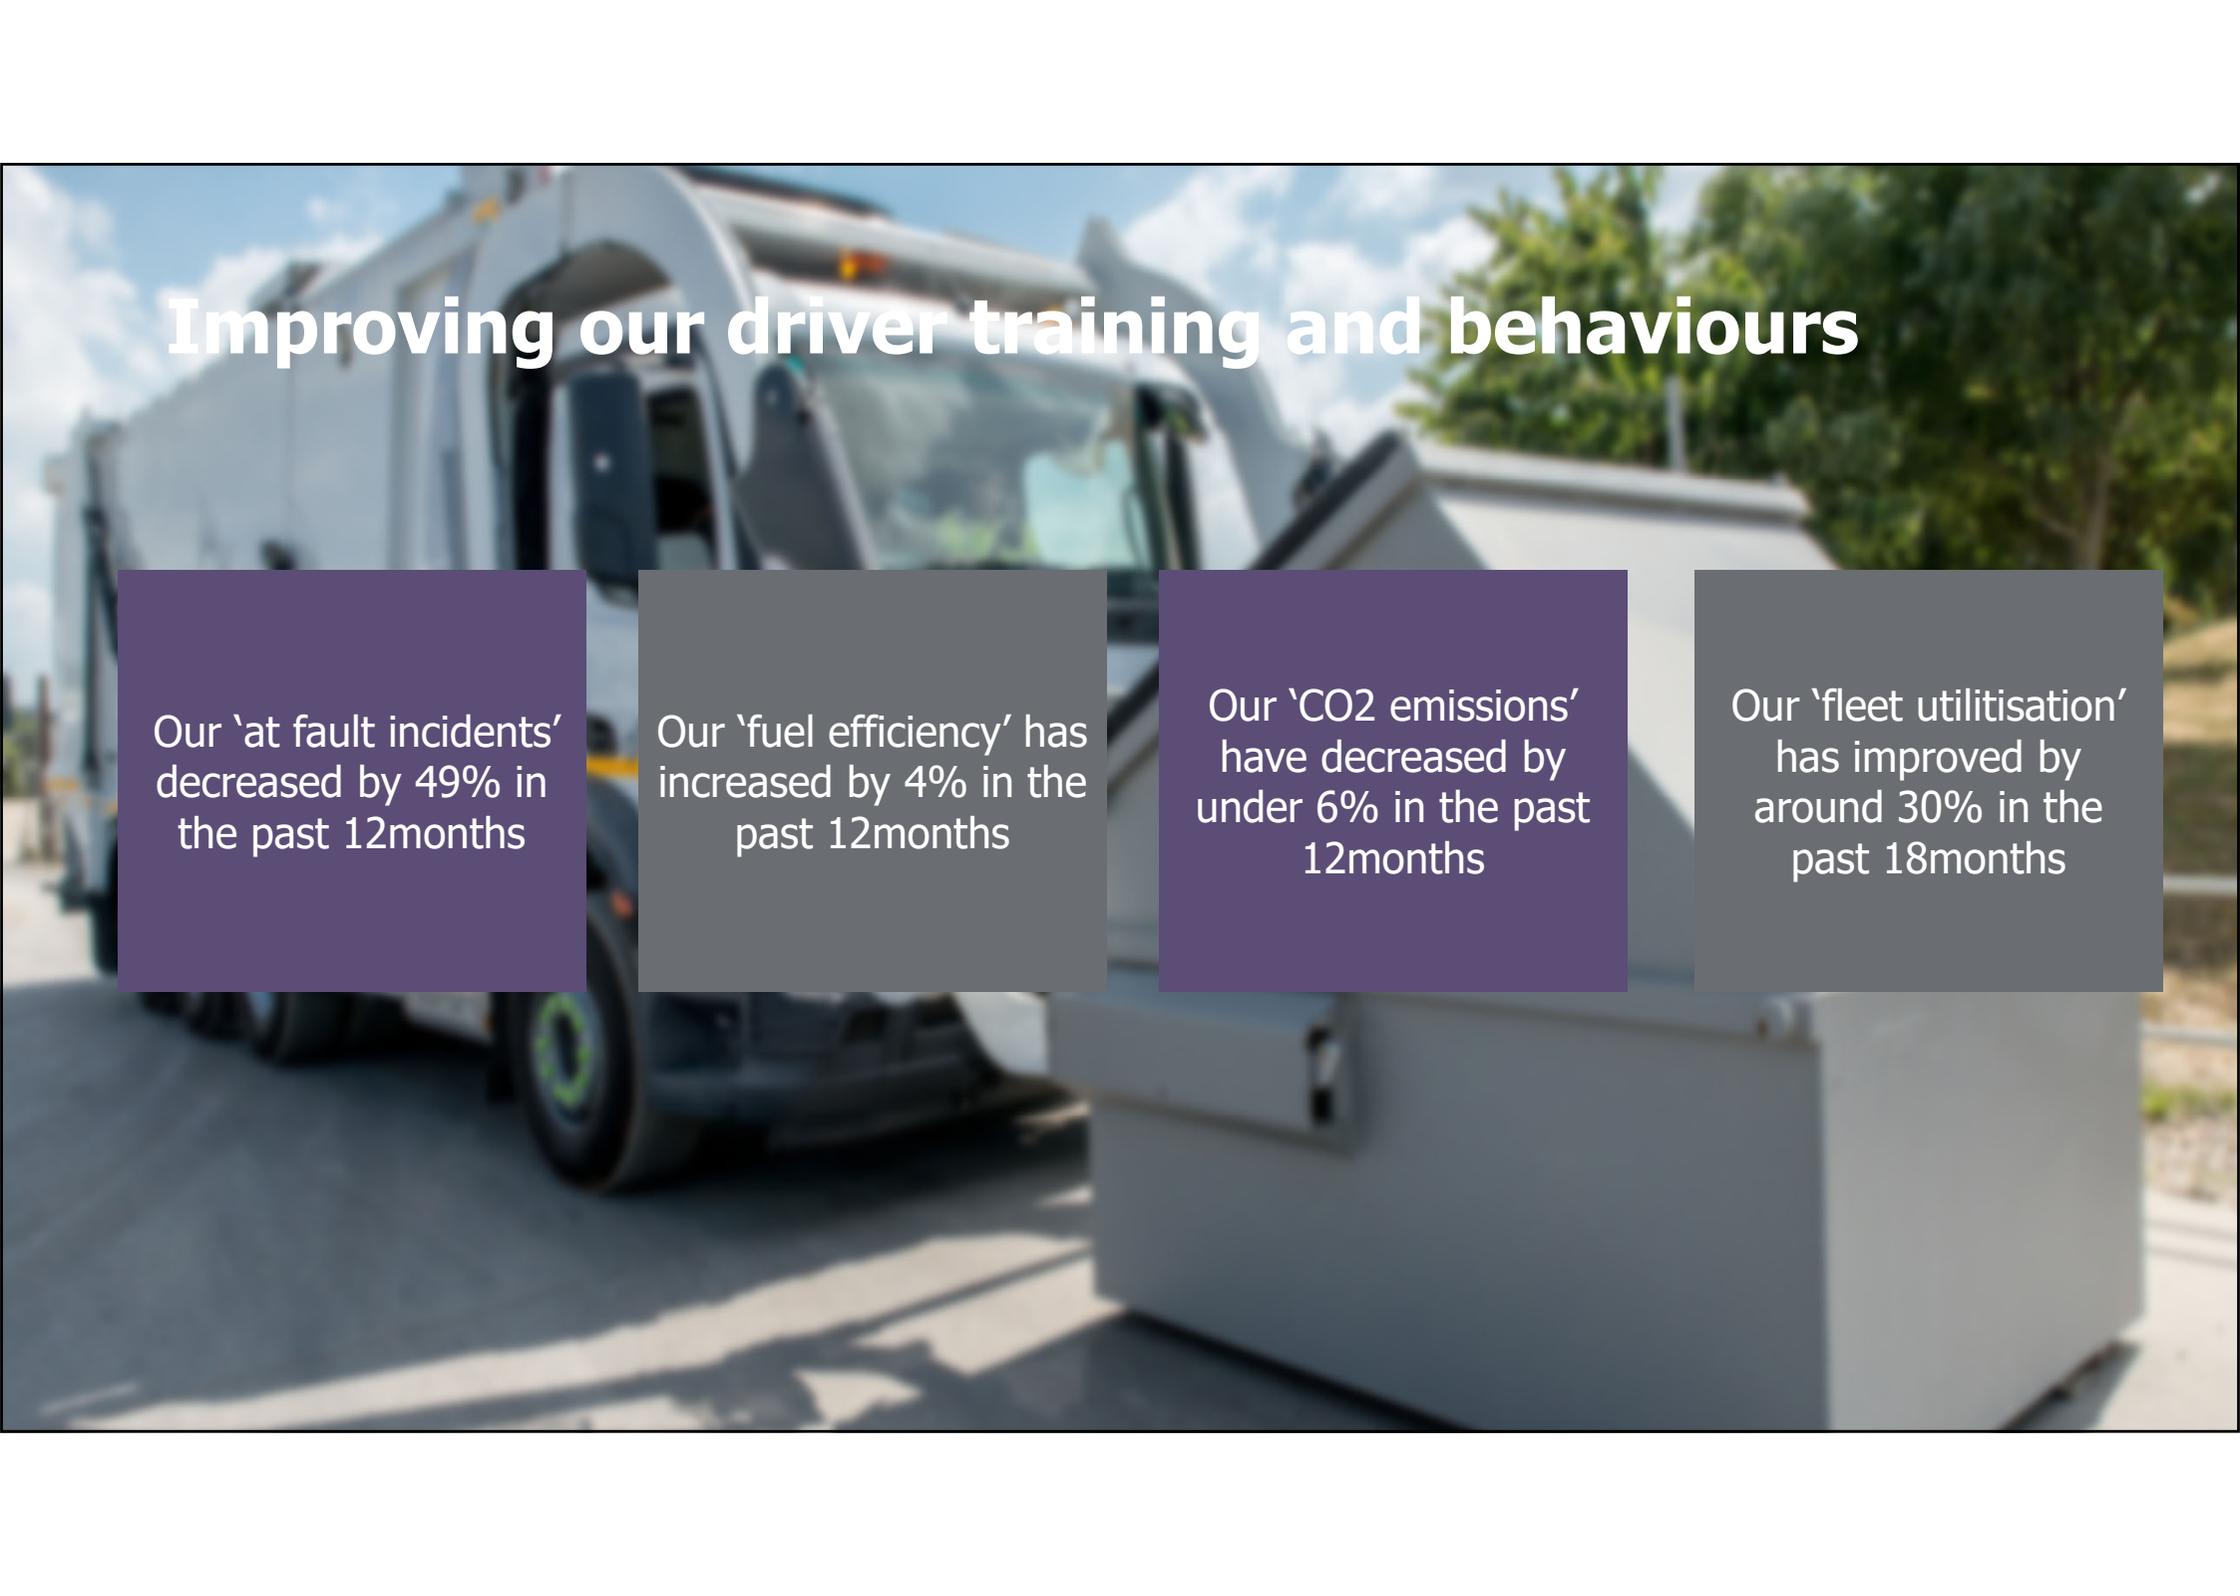

Our journey in numbers

In 2017, before Driving for Better Business we reported 455 accidents

In 2018, when we become champions we saw this decrease to 436 (4% reduction)

In the first quarter of 2019 this figure has now decreased to 363 (17% reduction)

Improving our driver training and behaviours

A white refuse truck is parked on a paved surface. In the foreground, a grey refuse bin is visible. The background shows a clear blue sky with some clouds and green trees. The truck has a large windshield and a side mirror. The bin is a standard rectangular shape with a handle on top.

Our 'at fault incidents' decreased by 49% in the past 12 months

Our 'fuel efficiency' has increased by 4% in the past 12 months

Our 'CO2 emissions' have decreased by under 6% in the past 12 months

Our 'fleet utilisation' has improved by around 30% in the past 18 months
